Principal's Address

Dr. John Newburn

Dear Class of 1998:

The Fairhaven High School you leave behind will never be the same. Nor will you. As you set out for the territory ahead, nervous perhaps, but eager for new challenges and opportunities, keep in mind that your high school also is charting a new course into the 21st century.

Those of us with whom you have shared the past four years hope you leave FHS with a solid foundation upon which to build your future. Some years ahead, when you look at your Alma Mater through the experienced eyes of an adult, I hope you will do so with pride and affection. Such would be a legacy of which we can all be proud.

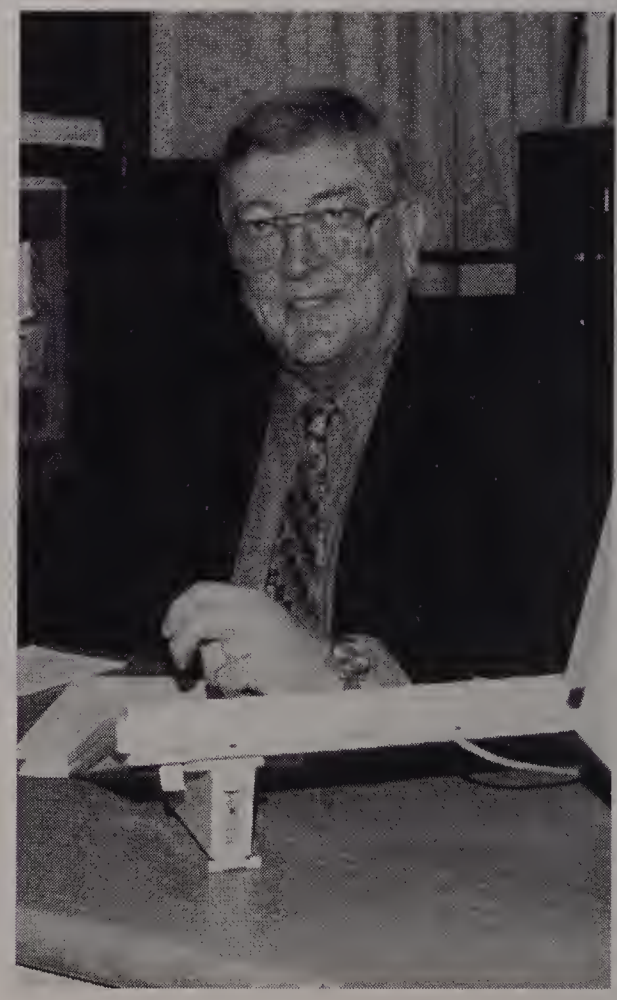

On behalf of the entire FHS faculty and staff, I extend congratulations to all of you and offer best wishes for a rich and wonderful future.

Yours truly,

John Newburn

John Newburn, Principal

Vice Principal's Address

John Haaland

Congratulations, you have reached your first significant achievement in the journey of life.

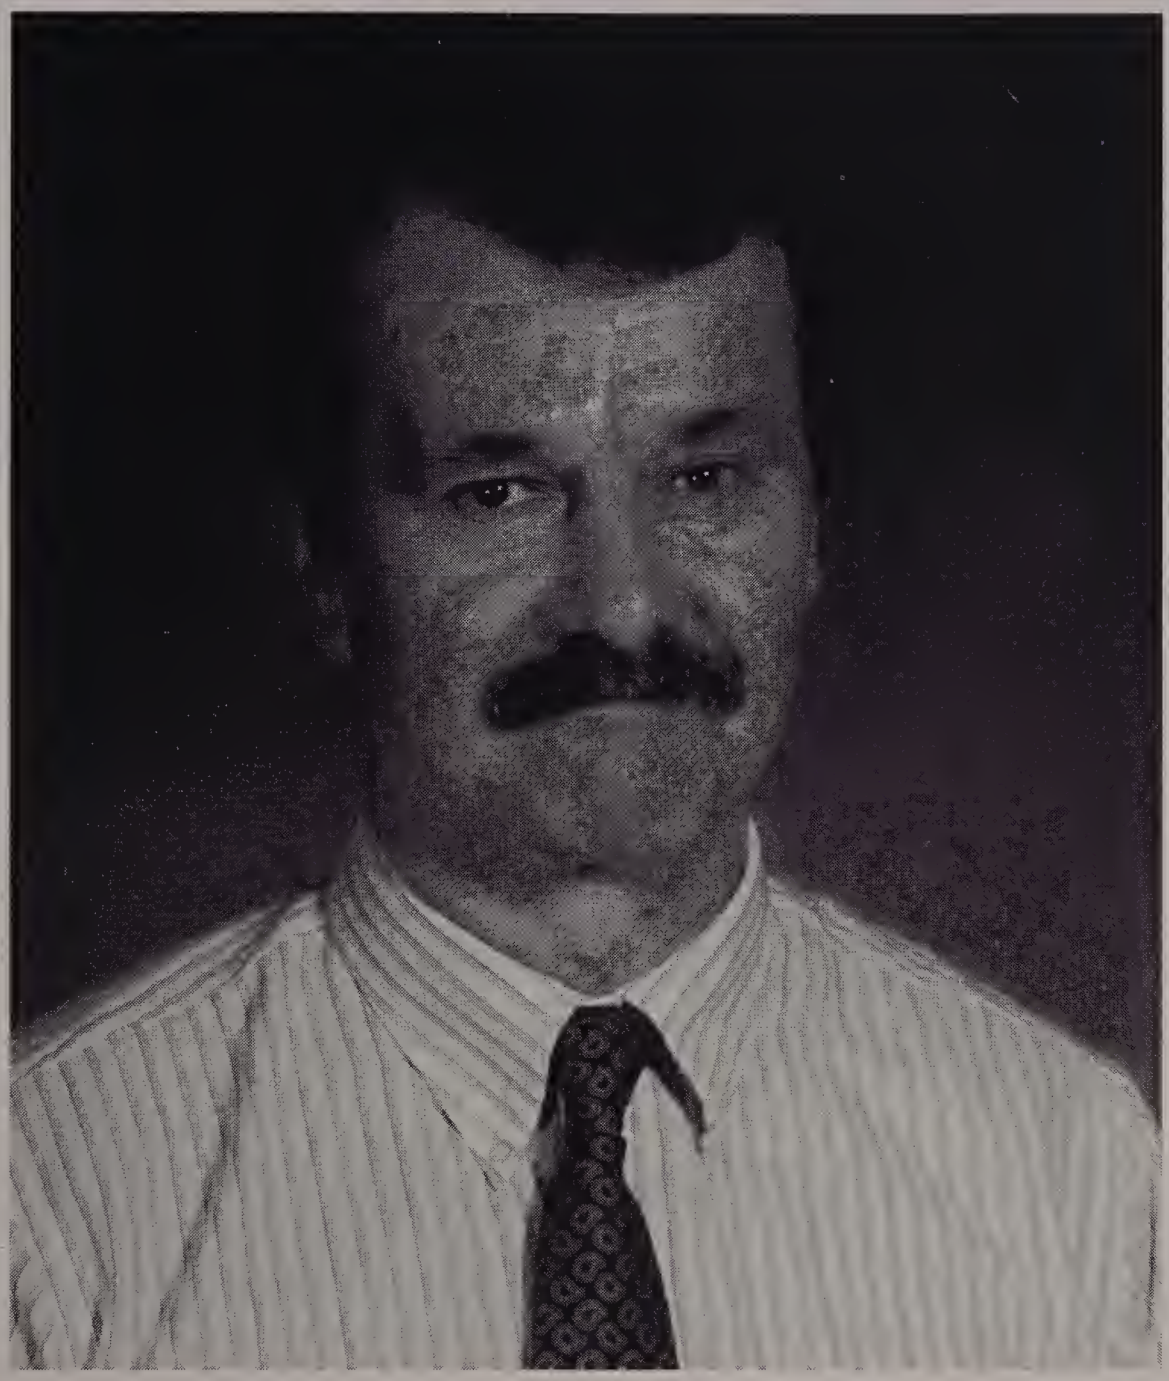

The foundation you have built will serve you well. The structure you build on the foundation has yet to be built. Some of you have begun work on the design of that structure while others are still contemplating what that structure should be.

Let your imagination soar. Only you can hold yourself back from achieving your dreams. Hard work and perseverance will carry you to those dreams.

Good luck in your quest and remember to come back and visit us from time to time.

Sincerely,
John Haaland
Vice-Principal

We The Class of 1998
DEDICATE
Our Yearbook To

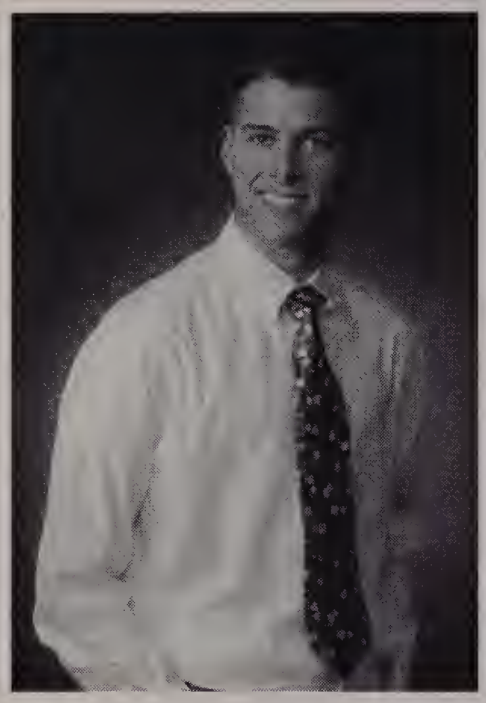

Mr. Randall Day

We, the Class of 1998, would like to recognize Mr. Randall Day and his years of hard work and dedication educating the youth of Fairhaven. A man respected by students and teachers alike, Mr. Day truly knew how to capture the interest of his students. He exemplified all that teachers strive to become and will always be remembered as a warm, caring individual who encouraged his students to strive for academic excellence.

Over the past several months, his absence has been deeply felt; it certainly hasn't been the same without him. We would like to wish him the best of luck and once again let him know that his devotion to teaching will always be appreciated. In recognition, we present him our Senior Yearbook.

Sincerely,
The Class of 1998

PRESIDENT'S ADDRESS

ERIK J. THOMPSEN

Senior Class President

I'd like to begin by saying Congratulations Class of 1998. It's been a long, hard journey, which at times I'm sure seemed never ending but it has. We made it! Sometimes it feels like it went too fast, but at those times we should look back and remember all the great moments we've shared together. Many difficult choices lie ahead, and hopefully we'll use the knowledge we've gained here at Fairhaven High School to make the best decisions for our given situations.

We've grown up, made many friends, and experienced many special memories together. As we go our separate ways, we must never forget to look back at these four very special, emotional, and memorable years. Although we may not see it now, these four years could very well be, the best years of our lives. And I can honestly say that it has been both a privilege and a pleasure sharing them with each and every one of you.

Good Luck & God Bless,

Erik J. Thompsen
President, Class of 1998

BOYS CROSS COUNTRY

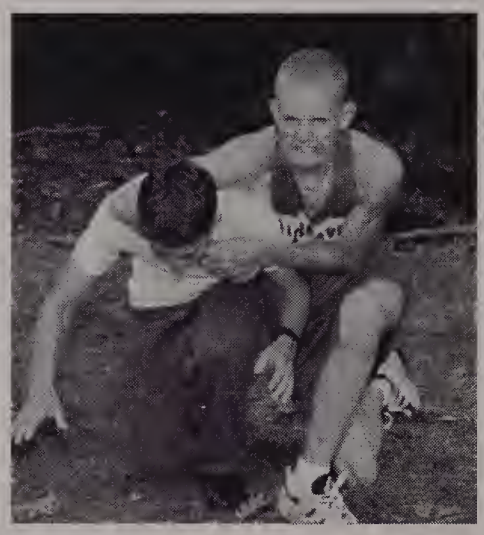

1st row: Trevor Elliot, Corey Jones, Peder Bowers 2nd row: Coach Gallagher, Nephi Tyler, Logan Wood, Jason Cunha, Nick Gaudreau, Coach Demanche

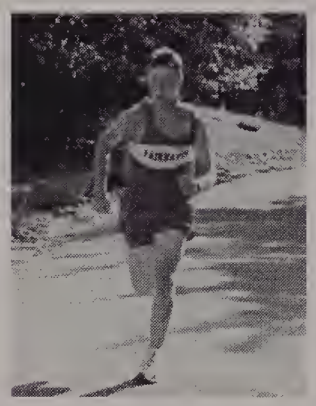

The 1997 Cross Country season was unique to say the least. With injuries to the top runners, the team was forced to forfeit most of their meets. However they went into each race and gave it their all. Their dedication and courageousness showed in their saying "I taste blood!"

GIRLS CROSS COUNTRY

1st row: Jacqueline Sylvia, Amy Mattos, Katie McAfee, Julie Morris 2nd row: Coach Gallagher, Shannon Lewis, Abby Sweeney, Katie Doyle, Colleen Kennedy, Coach Demanche

The girls cross country team finished the season with a 4-4 season, through our record was not indicative of the quality of our team. Hampered by injuries, we struggled through the fall and finished the season strongly. After spending 4 years together, seniors Julie Morris, Amy Mattos, Jackie Sylvia and captain Katie McAfee will greatly miss our coach and team. We wish the rest of the team the best of luck in the future!

FIELD HOCKEY

1st row (l-r) Kathleen Hunt, Steph Amaral, Noel Henebury, Alyssa Manzone, 2nd row: Emmy Crotty, Andrea Gallant, Annie Price, Jen Sylvia, Valerie Mello, Meridith Mello, back row: Coach Gardner, Kendra Manzone, Sarah Benjamin, Elly Crotty, Lael St. Pierre, April LeBlanc, Nicole Viera, Coach Audette

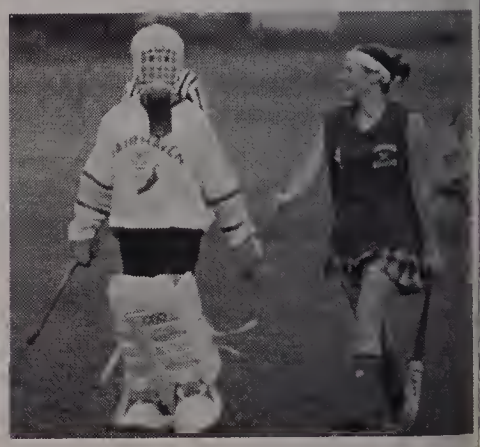

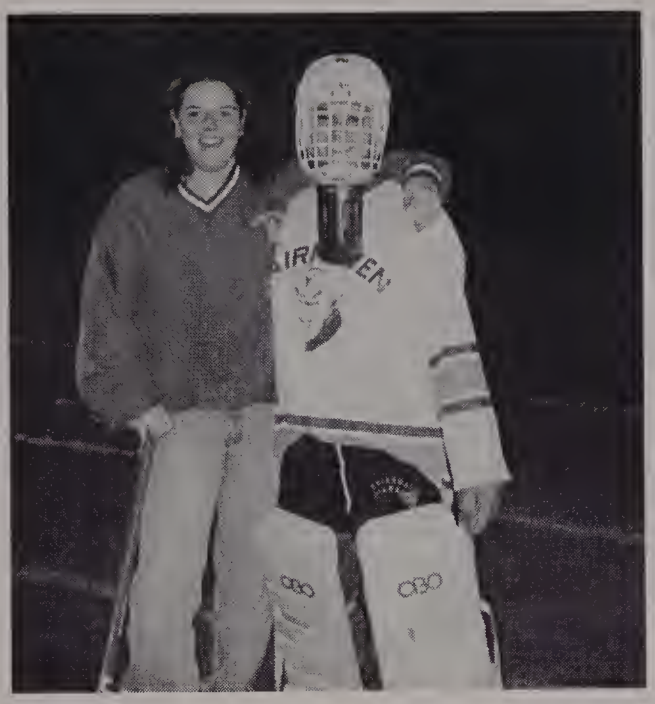

Although the 1997 season may not have successful in terms of wins and losses, the field hockey team did end of a positive note knocking D-R out of the state tournament. Due to a shortage of players, the girls were forced to play different positions, sacrificing personal egos so that the team could play the best they could.

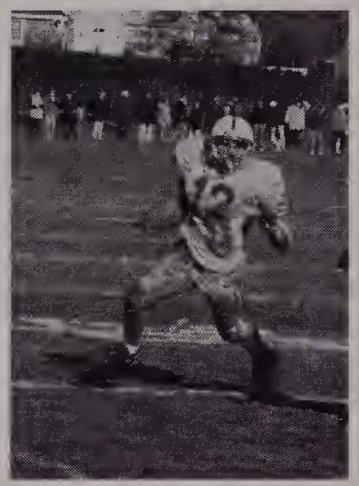

VARSITY FOOTBALL

1st row (l-r): John Davies, Ben Hevey, Derek Almeida, Curry Holland, Matt Pease, Bob Chase, Drew Jeglinski, S. Erotokritakis, Aaron Matteos, Kevin Fernandes, Kevin Viveiros. 2nd row: Rob Coe, Mark Simas, Peter Magalhaes, Jeff St. Pierre, Justin Tyson, Jimmy Pomfret, Jermaine Hurley, Ryan Greenway, Mike Gallagher, Kurt Ishenwood, Justin Brown, Richard Maccord. 3rd row: Joe Matteos, Jeff Jason, Zach Martin, James Audette, TJ Tremblay, Adam Alexion, Bob Coutinho, Dave Donnelly, Jake Galary, Dana Pickup, K. Erotokritakis, Brendan Mullen, Chris Kobza, Jesse Letton, Matt Verronneau.

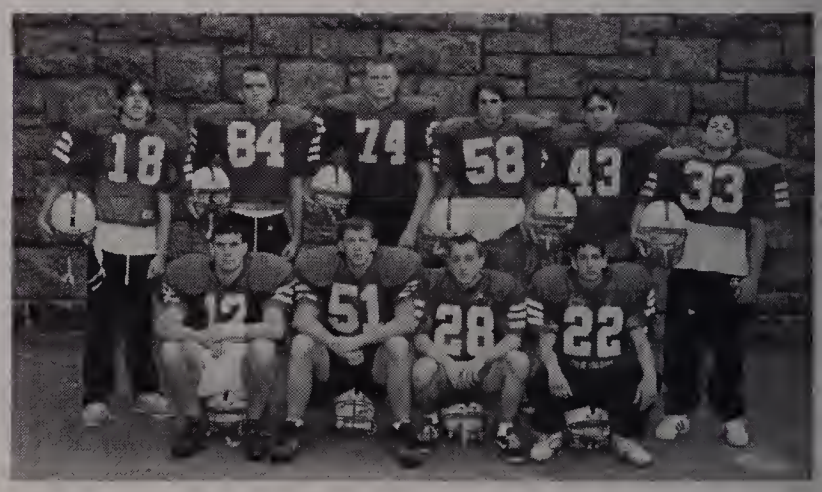

F.H.S.'s football season saw its share of highs and lows this year. The season began with a slow start, which changed with a big win over Wareham. The Devils played their best mid-season, only to end on a disappointing note. Most importantly, the seniors had a great experience. They will always have good memories of football and they would like to wish next year's team the best of luck.

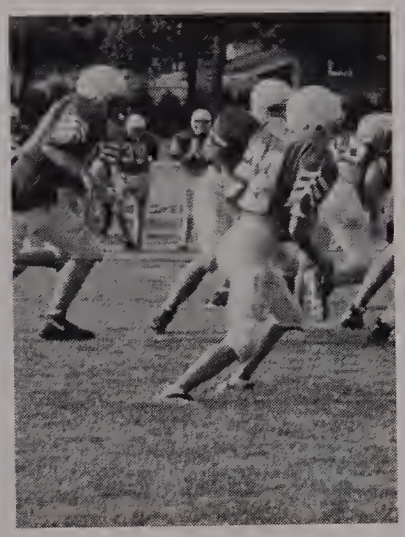

1st row (l-r): Derek Almeida, Bob Chase, Drew Jeglinski, Aaron Matteos. 2nd row: Ben Jevey, Curry Holland, Matt Pease, Kevin Fernandes, S. Erotokritakis, Kevin Viveiros.

Blue Devil golf is back, and gaining popularity amongst FHS students. This year, the Blue Devils played a full schedule, and also participated in the annual SCC Tournament. The team went winless, but the inexperienced players showed signs of improvement every time out.

This year the girl's soccer team qualified for the state tournament for the fourth straight year. We had a strong season and placed third in the SCC. Unfortunately we lost to Wellsley in the tournament.

The 1996 Fairhaen High's boys soccer team had quite an impressive season. They finished with a record of 11, 6+4, good enough for a 3rd place finish in the S.C.C., and made it to the 1st round in the tournament losing to Dover Sherborn. Senior Bryan Silveira, Jamie Tomasia, Jason Laliberte, Danny Fortunato, and Peter Viera will surely be missed. The seniors wish the team much success.

VOLLEYBALL

1st row: Emily Pires, Julie Gallagher, Alexis Walker, Jen Nowack, Jen Vickery 2nd row: Allison Sylvia, Jamie Mahaney, Nicole Woolley, Kristin Rego, Beth Cormier, Hillary Dorgan 3rd row: coach Hellyar, Samantha Souza, Sara Wolfgang, Kim Park, Tiffany Colt, coach Arsenault

We'd like to thank Mrs. Hellyar and Mrs. Arsenault for all of her support. Good luck to all the teams in the following years.

In a season that was surrounded by much adversity, the Devils rallied together and proved to be a major force in the South Coast Conference. Compiling a record of 11-11, the Devils turned it on in the second half and defied the odds by qualifying for the state tournament. For the first time in several years, they swept Voc-Tech and undoubtedly played their best game of the year in an emotional 78-71 overtime victory against SCC foe Wareham. It certainly was a season that will never be forgotten!

GIRLS BASKETBALL

The 97/98 Lady Devils . . . home to the most successful single season record ever for girl's basketball at FHS finishing at 17-7. This small but determined team earned the respect of the South Coast Conference. With an all-around scoring attack and tenacious defense, this cohesive unit boasts to only having lost twice on their home court — the "Terror Dome." A team for the record books, they are the last FHS team to play a home game at the Mel Entin gymnasium. As Seniors Jackie Sylvia, Katie McAfee, and Mellissa DeValles say farewell to their last season for FHS, they can look back with pride and know their team set the standard for Lady Devil basketball and that they brought home "the moon."

Peer Mediation

Peer mediation is a form of conflict resolution that uses neutral parties to help people in conflict work together to work out a solution to their disagreement. Students apply to become peer mediators and are selected by an advisory committee made up of staff and faculty members. Mediators are not problem solvers, but merely students who offer an environment in which disagreeing parties may safely explain to each other their difficulties and come to some agreement about a solution.

THE HUTTLESTONIAN 1998 EDITORS

BARRY

ALYCIA

Class of 1998,

As production comes to its final days, we look upon the complete work with satisfaction and pride at having produced yet another quality book. Appreciation is extended to those who worked with the creativity and dedication, each supplying input towards the 1998 Huttlestonian.

Special thanks goes to Jake Vaught for his many hours of time, given unselfishly, to the production. In addition, Erik Thompsen, Jenny Leong, Kate Souza and Alyssa Manzone have shown enthusiasm and responsibility towards the production of this yearbook.

We would also like to express our gratitude to Conrad Schmidt and Taylor Publishing Company for their valuable time and understanding.

Our sincere appreciation and thanks are extended to Tom Pacheco and the entire Pacheco family. They have given freely, opening their home to us for frequent meetings. Mr. Pacheco's continuous support and guidance have always been an incentive for our own accomplishments.

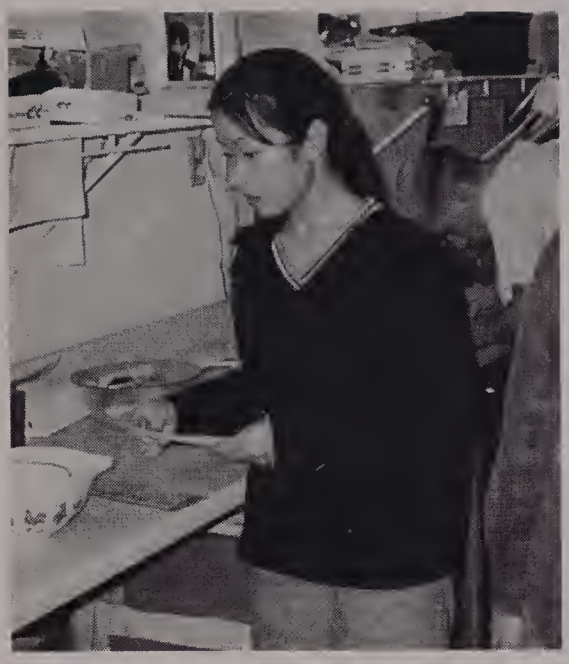

Best of Luck!
